## Welcome

Thank you for inquiring about joining the membership at Titirangi Golf Club. Titirangi has a proud history spanning over 110 years, and a membership that cherishes the legacy we get to build on. From the earliest days when the membership made the bold decision to have Dr. Alister MacKenzie design the course, to the many millions of dollars invested since, our membership understands the treasure that is Titirangi Golf Club.

Like many premier golf clubs, we have a great pro shop, a beautiful clubhouse and amazing locker room facilities. Our amenities are some of the best in the country. But it is our course that sets us apart. Consistently ranked in the top 10 courses in New Zealand, and having hosted over a dozen NZ Amateur and Open Championships, Titirangi is 'the players' course. As one of Tourism NZ's Marquee golf club's, we are proud to represent the best that New Zealand has to offer.

The heart of the club is our members. From tournament participation, to our numerous social events, to the welcoming and friendly atmosphere after every club day, Titirangi is a place where you are made to feel at home quickly. That's why we say, we are a club, not just a course. This is a place for you to belong.

## Joining Process

1. Prospective members are required to complete a membership application form (included in this brochure). Once completed, a current member of Titirangi Golf Club must nominate you for membership. If a prospective member does not know any existing members, please make contact with our golf office so introductions can be made.
  - Once your application is completed and nominator has signed the application, you will submit your application to the golf office or electronically to [gm@titirangigolf.co.nz](mailto:gm@titirangigolf.co.nz)
3. We encourage prospective members to visit the club and play a round of golf with either your nominee or another member of the course. Our golf shop team can help make these arrangements for you.
4. A meeting with the General Manager and/or Club Captain may be requested prior to final acceptance of your application.
5. Upon acceptance of your membership, you will either be admitted into the category for which you have applied or placed on the waiting list for that category. Upon acceptance into a category, a joining fee is to be paid and the first year's annual subs will become due. Upon payment, you will receive a welcome pack to the club and you can begin to enjoy all the benefits of membership at Titirangi Golf Club.

The following pages lay out all the information you should need to make your decision and apply for membership. If we can be of any further assistance please do not hesitate to call. Thanks again for considering our club as your future golfing home.

Kind Regards,

Club Captain
